

Caregiver Support Program

Who is a caregiver?

A caregiver cares for another person who may be a spouse, friend, neighbor or adult child living nearby or long distance.

Our program was created to help with resources, alleviate stress and meet others that are caregivers.

Fox Valley Hematology & Oncology

1370 N Shawano St E—New London

Meets the 4th Wednesday of each month—1:30 pm to 2:30 pm

Contact Deb 715-252-3892 or Patsy 920-702-3135

Respite available—There will be professional caregivers to care during the program.
